

The Lord is our Refuge

Dear Friend,

Amidst the storms of life, we all need a refuge—a place of reprieve, safety, and comfort. For believers in Yeshua, the Lord is our refuge. We can endure knowing a peace that surpasses our circumstances. **At HaTikva Project, this is how we demonstrate Yeshua's love in a nation that is often resistant or even hostile to His name. We come close with relief and compassion that endures until the storm has passed. Our actions bear witness to the refuge that can be found in the Lord.**

Return to your rest, my soul, For the Lord has dealt generously with you. For You have rescued my soul from death, My eyes from tears, And my feet from stumbling.

Psalm 116:7-8 NASB

Whether through our dental program, which provides physical and financial relief to those who need it most, or our ongoing support for families who have adopted or opened their homes to foster children, the needs are great, but our partners have responded and made a way for these individuals to find shelter from the storm.

Rivka Buhbut continues to be a powerful reminder of the lasting impact of October 7th on families. You may remember her story — her husband was kidnapped by Hamas and remains in captivity. Last year, we helped Rivka move into a new apartment, where she now lives with her 4-year-old son.

We were recently able to financially help her again and are grateful we can support her as she goes through the ups and downs of trying to rebuild her life while also holding out hope for her husband's return. She has thankfully been able to return to work and receive counseling to help with the daily emotional toll. Please continue to pray for the Buhbut family as we await Elkana's return.

Many Israelis find themselves in similar situations, suspended between tragedy and hope as the conflict continues. Unsure of how to move forward, they need an anchor and a refuge as they grieve, process, and plan for the future.

You can help HaTikva Project provide a refuge for those who are still struggling under the weight of trauma. Your monthly partnership of \$50, \$100, or \$300 not only makes it possible for HaTikva Project to provide trauma counseling but also dental care, financial aid, and respite care and support for foster and adoptive families— all provided in Yeshua's name. Would you give your first gift today? Together, we can reflect Yeshua's love and mercy to Israel, ministering comfort and strength to those who need it most.
